In the event of cancellation or postponement, their liability is limited to refunding any registration fee already paid. The organiser will notify all registrants at the address shown on their registration form of any decision to cancel or postpone. The organiser strongly recommends all registrants take out their own insurance against any losses arising from cancellation or postponement of the Conference or the inability of a registrant to attend for any reason whatsoever: the organiser accepts no liability for any loss or damage suffered by any registrant or accompanying person or other person whatsoever."
